

**Every brain tells its story
in pieces. You were never
meant to hold all of them
at once.**

— SARAH MANGIARELLI

**Behavior is not the
problem. It's the
sentence your child
can't say yet.**

**You've been translating
for years without a
dictionary. That isn't
failing. That's fluency.**

“

**You don't have to explain
your child to everyone.
You just have to be
believed by the right ones.**
